GOVERNMENT  
ACCOUNTABILITY BOARD

State of Wisconsin

County of Outagamie  
(County of notarization)

BEFORE ME, the undersigned Notary,

on this 5th day of JUNE, 2012, personally appeared,  
Josh Young known to me to be a credible  
person and of lawful age, who being by me first duly sworn, on his oath, deposes and  
says:

I am responding to the challenge of nomination signatures for my  
name placement on the ballot for the 3rd assembly district seat.  
In regards to page (10) of my nomination papers; the paper was  
circulated by Amy Muehlbauer and was mistakenly not signed  
by her as the circulator. In my haste to turn in my papers  
on June 1st in Madison, I signed the paper thinking that  
I had forgotten to sign one that I had circulated myself.  
Amy's enclosed affidavit can attest to this being the case in regards  
to page (10) of the nomination papers. Page (20) was completed  
by myself and signed. What I had not noticed until later was  
that the top (2) signatures were in place from another circulator.  
I am not repeating the information given by Mr. ALOTT, but I am  
asking that at the very least the final (4) signatures of page (20)  
not be withdrawn from my total, as I did in fact obtain those  
myself as the signed circulator of that paper. I have enclosed  
a list of those names & phone numbers so they may be contacted  
to attest to these facts. continued on next pg. →

There was also a situation where (6) signatures were struck from my nomination signature total from page (1). The circulator, Robin Sanders, signed the nomination paper as the circulator and dated it as of the 1st day of circulation, not the last. Attached you will find Robin Sanders' affidavit attesting to this being the case in regards to nomination paper page (1) of the signatures to place Josh Young on the ballot for the 3rd assembly district. I am requesting that these (6) signatures be added to my total number of already verified nomination signatures. These would be in addition to the requested (4) signatures asked to be kept from nomination paper page (20). I am not sure what else can be done in regards to page (10), but I have fully explained and provided information from myself and the circulator to fully respond to Mr. Alott's Challenge of (6) signatures from my nomination papers for the 3rd assembly district seat, election date 11/6/12.

Robin Sanders known to me to be credible

Person and of lawful age, who being by me first duly sworn, on her oath, deposes and says:

In regards to my circulation of a nomination paper to place the name of Josh Young on the ballot for the 3<sup>rd</sup> assembly district seat election, I am requesting that my circulation signature date be changed to the last nomination signature date. I originally had placed the date as April 18<sup>th</sup> 2012, which was the very first date I had circulated the paper, not the last. I was not aware the date had to be the final signature date. Please accept this change in date to the nomination paper which would then validate all (10) nomination signatures for Josh Young for the 3<sup>rd</sup> assembly district.
